

Breakfast Republic Hatches In Encinitas

November 10, 2016

Known for their innovative breakfast menu, bright & colorful décor, and humor-cracking signage, Breakfast Republic continues to grow as San Diego's breakfast destination. Opening today, the Encinitas location is the first North County outpost for the brand, and is also the largest at 3,500 square feet plus an additional 700 square foot patio space. New décor/design pieces for this location include a lounge area with egg chairs and tables, and cheeky sayings written across booth tables, such as "Brunch: The socially acceptable excuse for day drinking."

Banana Split French Toast

With locations in North Park, Liberty Station, Encinitas, and two more on the way in 2017 (East Village, coming February 2017, and Carmel Valley, coming April 2017), Breakfast Republic is raising feathers and taking over breakfast, one skillet at a time. The menu at all locations represents a collection of nostalgia-inspired dishes served with a twist to make them unique. Take the Shrimp & Grits Breakfast for example, the Breakfast Mac & Cheese, or the Banana Split French Toast. On the sweeter side, their pancake flights and French toast flights continue to fly out of the kitchen constantly, with flavor options such as Oreo Cookie, Cinnamon Roll, S'mores, and Lemon 'n Coconut.

Breakfast Republic's concept and menu was inspired by owner and restaurateur Johan Engman, who wanted to hone in on one thing and do it right. Not to mention the meal he loves most is breakfast! Johan Engman is the Founder and Owner of the [Rise & Shine Restaurant Group](#), which includes his first restaurant concept, Fig Tree Café, new fast-casual concept Como Ceviche!, and two additional new concepts to come in 2017.

Breakfast Republic Encinitas is open daily from 7am to 3pm, and is located at 251 N El Camino Real. For more information, visit breakfastrepublic.com.
