### Breakfast Republic

North Park's newest breakfast destination is dishing out travel-inspired plates from around the globe. Take a bite out of the Vietnamese chicken wing breakfast bowl, Southern shrimp and grits or Mexican churro pancakes. Even better news? All eggs come from happy chickens living on a family farm in Ramona. Breakfast Republic was born from the brains of Johan Engman, also the owner of three Fig Tree Cafes and Cafe Cantata.

7 a.m. to 3 p.m. daily

2730 University Ave., North Park. [breakfastrepublicca.com](http://breakfastrepublicca.com)
